

God of Snakes!

The spirit of Mayan Snake God Quetzalcoatl has protected the ancient city of Coba for thousands of years. To explore its chambers, one must face the spirit's perilous traps to reach treasures amassing to 25000x.

Coba is a 7x7 slithering cluster slot. It comes with a unique tumble mechanic, multiplying wilds, and 4 feature levels of an ever-increasing amount of snakes.

X-iter™

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 2x bet with boosted features when triggered, to a 500x bet final stage feature.

Snakes

Snakes place out symbols when slithering across the game grid generating winning clusters.

Snake Meter

Every win counts towards a level up with more snakes entering the grid. At the highest level, 6 snakes enter the grid at the same time.

Eat & Grow

Snakes eat symbols of the same colour to grow in length for even larger cluster wins!

Crossing

Snakes moving across each other leave a 2x wild. With each crossing the multiplier doubles!

Game data

Game: **Coba**

Recommended size and ratio for desktop browsers

For the optimal gaming experience, ELK Studios recommend launching the game in 1600x900 resolution. If scaling is required, use 16:9 ratio.

Technology

ELK games uses state of the art web technologies including support for canvas and WebGL. The client detects the capabilities of the device regardless if the player is running on a desktop, tablet or mobile.

The game client will then optimize the gaming experience based on those parameters.

ELK Studios

We build great casino games

Since founded in 2013, ELK Studios has pushed boundaries in the online casino industry. From groundbreaking mathematics to astonishing artwork, ELK takes pride in developing entertaining mobile first content that maximizes the experience for players around the world.

Our games are developed and compiled by our inhouse studio in Sweden, and we use well known test centers such as Trisigma and Gaming Laboratories International to certify them. Once released, all games are operated by partners and operators who hold license in each market.
