## ROBIN OF SHERWOOD Online Slot™

Follow Robin and his Merry Men on their quest for fun and incredible riches into the Sherwood Forest. This 243-way slot is an exciting journey to medieval England where the Royals have to be on their guard.

During the main game, the Royal Symbols will be transformed into Wild Symbols as soon as they tap into one of the troops ambushes. In the Free Spin Bonus Stage, the Royal Symbols are removed step by step from the reels during a faceoff with the Sheriff of Nottingham. The outcome is a reel configuration that increases the probability of a high tournament win with every spin. A truly great opportunity to seize the fortunes of the riches.

ROBIN OF SHERWOOD Online Slot™ is a medium volatility premium video slot designed to meet today's needs of online casino operators. The game is available for desktop & mobile on modern web browsers across popular devices.
