Cat Wilde and the Pyramids of Dead

WHAT'S THE STORY?

The tombs of ancient Egypt hold secrets that were never meant to be discovered. Try, and you may never see the light of day again.

Cat Wilde is not one to shy from adventure.

On her latest adventure she is on the hunt for a very particular set of treasures. Dare to join Cat Wilde as she steps into the forbidden tombs. Beware of the choices you make; you never know which might be your last.

MEET THE CHARACTERS

CAT WILDE

The intrepid daughter of Rich Wilde, Cat Wilde isn't overcast by her father's adventurous shadow.

Cut from the same mould as her father, Cat is just – if not more – tenacious. She follows in his footsteps, from seizing the power of the Aztec Sun god to unveiling the Scroll of the Dead from ancient Egypt.

FEATURES

Live the next chapter in the Book of Dead series.

Fans of the series will see that the Expanding Symbol seen in all the Dead Series games returns.

This game sees Three Features which are triggered by landing three or more Scatters:

Jackpot

Click and pick game sees 12 urns displayed in front of the player. The jackpot value is hidden beneath the lid of each urn.

Each urn contains one of the four possible jackpot values presented in the form of spirits. Once tapped an urn plays an opening animation and reveals the spirit contained within.

The spirit flies to the Jackpot counters on top of the screen and fills up the meter below the respective label by a third.

Once three identical spirits have been found, and one of the Jackpot meters on top of the screen filled, the Jackpot Round is over, and the player has won the value awarded by that Jackpot.

Instant Prize

The Instant Prize features are as follows, 5x, 10x, 20x, or 100x players total bet. It's possible to land up to five Scatters with the Instant Prize values.

Free Spins

Landing three Scatters in Base Game awards eight Free Spins, Four Scatters in Base Game awards 10 Free Spins. Five scatters in Base Game awards 15 Free Spins.

IN-GAME ARTWORK

The opulence of Ancient Egypt shines through in this beautiful game. Symbols are synonymous with the other Cat Wilde games in the series, but this time we see some new additions to the reels.

THE PHARAOHS

Take a look for yourself.

The spirits of Merneith, Tutankhamun, Tiye and Khufu appear as spectral mummies on the reels.

Will they grant your fortune?
