

RAVEN RISING

RAVEN RISING

A mystical raven, a messenger of the gods, will guide a couple of Vikings on their trek from Midgård to Ragnarök. Join these seafaring pirates on their quest while they release the energy of mythical stones along the way. This energy holds a slice of the power of Thor, the hammer-wielding God of Thunder. As long as you follow the raven, you will triumph. And if not, mayhem will ensue...

Raven Rising is a 3x5 symbol tumbling game with 20 lines, boasting proven features with extra spice, including a progressive Multiplier and a Bonus Buy feature (pay to get instant entry to the Free Spins Bonus). The multipliers are especially powerful in the Free Spins Bonus, where they grow with each winning symbol faster than you can down a jug of mead!

This slot starts out soft as a lamb in the base game and becomes as volatile as Thor's hammer in the bonus game. Feeling extra brave? The Gamble feature lets you gamble existing free spins for the chance to win more!

Raven Rising comes with three well-engineered math models to suit every market: 87%, 94%, and 96% RTP.

Game Features

Raven Rising is a 3x5 symbol tumbling game with 20 lines and an increasing Multiplier, featuring Wilds and Raven Scatter symbols.

Multiplier

In the Midgård base game, the multiplier increases with +1 every time a set of winning symbols is removed. In the Ragnarök Free Spins Bonus, the multiplier increases with +1 for each winning symbol that's removed. The multiplier is not reset between rounds in the bonus game.

Gamble

After winning the Ragnarök Free Spins bonus, you can gamble your existing Ragnarök Free Spins for the chance to gain more free spins. If you win the gamble, you will get an extra Raven Scatter. If you lose the gamble, you will lose your existing free spins.

You can gamble until you have 5 Raven Scatters, or until you lose the gamble. You can collect your existing Raven Scatters at any stage.

Ragnarök Free Spins Bonus

When you get 3 or more Raven Scatter symbols, the Ragnarök Free Spins bonus will start.

3 Raven Scatter symbols will initiate 7 free spins

4 Raven Scatter symbols will initiate 10 free spins

5 Raven Scatter symbols will initiate 15 free spins

In addition, you can retrigger the Ragnarök Free Spins by landing 3 or more Raven Scatter symbols.

3 Raven Scatter symbols will retrigger and add 3 free spins

4 Raven Scatter symbols will retrigger and add 5 free spins

5 Raven Scatter symbols will retrigger and add 7 free spins

You cannot gamble retriggered Ragnarök Free Spins. The Free Spins Bonus continues until there are no Free Spins left.

Buy Feature

You can pay to get instant entry to the Ragnarök Free Spins bonus. By paying 100x bet, this feature will trigger with 3 or more Raven Scatters at the same frequency as when triggered by chance.
