EXPLORE THE TIDES OF DESTINY

Ahoy, seafarers! Prepare to sail through the seasons in Lure of Fortune. As captains of the ship, you must chart your route wisely. Navigate between the gentle waves of medium volatility waters and the roaring tides of the extremely high. Along the route you'll come across cluster wins and multiplier upgrades that will fuel your journey.

No time to rest on your laurels, the life of a sailor is often unpredictable, and 3 bonus symbols call for a deep breath as you dive in to discover a new adventure below the surface. The goal is to bring fish as close to the boat as possible, using the help of a few friends like the Persistent Hammer Octopus, the Persistent Payer Worm and the Persistent Spawner Fish who can bring you closer to the treasure over the horizon.

FEATURES

MULTIPLIER UPGRADE

Each Symbol type has a multiplier associated with it. This multiplier is applied to all wins including the symbol it's associated with. The multiplier value starts at x1 and is upgraded (doubled) after each win on the symbol.

The game can assign a random upgrade of multipliers to a random number of symbols at the start of a new spin.

The maximum multiplier on any symbol is determined by which version of the game is being played.

PICK MODE

It is possible to change the game mode, clicking on the Mode button will open up a menu with 3 choices of the same game mechanic with different characteristics.

Medium Volatility

5,000x Max Win
32x Maximum Base game Multiplier

High Volatility

20,000x Max Win
64x Maximum Base game Multiplier

Extremely High Volatility

50,000x Max Win
128x Maximum Base game Multiplier

BONUS GAME

The bonus game is triggered by landing 3 Bonus symbols anywhere on the reels. Once in the bonus game, 3 spins are awarded and landing any symbol on reels 1 to 6 will reset the spin counter.

Once the bonus game has been triggered, 5 symbols will appear at the bottom of reels 1 to 5. Each of these symbols will reveal a value as multiplication of bet.

Reel 6 will reveal a multiplier ladder which will apply to any symbols on that row at the end of the bonus game.

Below each reel it is possible to land additional symbols.

BUY FEATURE

The Buy Feature awards the bonus round for the price displayed.

SYMBOL BEHAVIOUR

REELS 1 TO 5 (COIN SYMBOL) FEATURES

Fish

Hammer

Pushes all symbols on the reel up one spot.

Payer

Reveals a value and adds it to all symbols on that reel.

Doubler

Doubles the value of all symbols on that reel.

Spawner

Copies a symbol and its value on that reel, places the copy one step below the original.

REEL 6 (MULTIPLIER LADDER) FEATURES

Golden Hammer

Pushes all symbols up by one spot.

Payer

Increases all Multipliers on the ladder by +1.

Doubler

Doubles all multipliers on the ladder.

Bonus

Spins left counter will reset to 4 instead of 3.

Persistent Hammer

Picks a reel randomly and pushes all symbols on that reel up by one spot at the end of every re-spin.

Persistent Payer

Picks a reel randomly and pays its value to all symbols on that reel at the end of every re-spin.

Persistent Spawner

Picks a reel randomly, copies a symbol and its value, then places the copy one step below the original.
