

Rising above a desert plateau near Cairo stands the Great Pyramid; the oldest and largest of three and the last of the ancient Seven Wonders of the World. A defining symbol of Egypt; amongst the sands a source of infinite wealth awaits to be found.

GIZA is the second instalment to ReelPlay's Infinity Reels family. An enhancement to the underlying math engine, offering a faster pace feature game with an additional high risk / reward feature gamble.

Consecutive wins push players up the multiplier trail, whilst Buy-A-Bonus is also available in territories where this is permitted.

New reels may be added Infinitely to the base 3x4 reel set; with each new reel increasing the multiplier for all symbols' wins.

Each spin has the chance to keep adding new reels for bigger wins and a shot at reaching the Jackpot Prize of 888x total bet.

Free Spins provide additional multipliers whilst players can multiply Free Spins winnings up to 5x in the Gamble Wheel feature.

An epic visual setting combined with an immersive soundtrack; be inspired by the boundless rewards as GIZA Infinity Reels stands before you.
